Subject: FLIGHT SCHEDULE FOR PARTIAL RESUMPTION OF INTERNATIONAL FLIGHTS

Following the announcement by the Presidential Task Force (PTF) on COVID-19 on the partial resumption of International flights effective 5th September 2020. Find attached the approved flight schedule for your attention.

2. Kindly note due to the limited number of approved incoming passengers (1,280) allowed daily per each airport, **it is not possible to accommodate the requested schedule of airlines**. However, over the next few weeks as the number of allowed incoming passengers is increased, additional flight frequencies will be allocated to airlines in addition to accommodating any airline that meets the requirements for resumption of flight operations into Nigeria.

3. This approved schedule is based on a maximum number of 200 passengers per each incoming flight to Nigeria. There is no limit on the number of outgoing passengers.

4. Each operator has only one frequency on approved day of operation irrespective of the capacity of aircraft utilized.

Please be guided accordingly.
